Demand and supply of power

†2486. SHRI P.K. MAHESHWARI: Will the Minister of POWER be pleased to state:

(a) the State-wise details of total demand and supply of the power in the country including the State of Madhya Pradesh during the Ninth Five Year Plan;

(b) whether Government have assessed the need of the power in the country during the Tenth Five Year Plan;

(c) if so, the State-wise details thereof; and

(d) the extent of power production capacity likely to be increased State-wise due to installation of new power plants and up gradation of present power plants separately during the Tenth Five Year Plan?

THE MINISTER OF STATE IN THE MINISTRY OF POWER (SHRIMATI JAYAWANTI MEHTA): (a) State-wise/Year-wise power supply position during 9th Five Year Plan is given in Annexure *[See* Appendix 199, Annexure No. 11].

(b) Yes, Sir.

(c) State-wise anticipated power supply position at the end of the 10th Plan as per demand projected in 16th Electric Power Survey Report is given in Statement-I (*See* below).

(d) A generation capacity addition of 41,10 MW has been planned during 10th Five Year Plan. State-wise/sector-wise capacity addition during 10th Plan is given in Statement-II (See below). A total of 72 existing hydro plants in the country having a total of installed capacity of 8088.05 MW to accrue a benefit of 2886.82 MW at an estimated cost of Rs. 2801.547 crores have been identified for renovation, modernization and uprating during 10th Plan. Further, 106 old thermal units installed at 32 power stations having installed capacity of 10413 MW have been identified for Life Extension during 10th Plan. The details of power plants (Hydro & Thermal) identified for renovation, modernization, uprating and Life Extension during 10th Plan are given in Annexure. [see Appendix 199, Annexure No. 12].

---

†Original notice of the question was received in Hindi.

Private and Public Sector Power Projects in M.P.

†2487. SHRI P.K. MAHESHWARI: Will the Minister of POWER be pleased to state:

(a) the number of power projects sanctioned for private and public sector in the State of Madhya Pradesh during the Ninth Five Year Plan;

(b) the number of such projects which are pending and the number of projects being implemented; and

(c) the names of the above projects and estimated cost thereof?

THE MINISTER OF STATE IN THE MINISTRY OF POWER (SHRIMATI JAYAWANTI MEHTA): (a) and (b) During 9th Plan under the State Sector, two power projects totalling 465 MW were commissioned in Madhya Pradesh. In addition, during the same period 11 power projects comprising of 8 in Private Sector and 3 in Public Sector have been cleared/sanctioned by Central Electricity Authority/State Government in the State of Madhya Pradesh. Work on all the 8 private Sector projects is yet to commence. All the three power projects in public sector are under construction.
